

November 13, 1933.

Board of Trustees,
School District No. 13,
Nogales, Arizona

Attention: Mr. George Gann, Clerk

Gentlemen:

This will acknowledge receipt of your letter of November 10th, in which you seek an opinion of the Attorney General as to whether one who registered on the 3rd day of October, 1933, is eligible to vote at a school election held on the 28th day of October, 1933.

I am of the opinion that it is not necessary for a school elector to register before he may legally vote in a school election. Our Supreme Court has held that the general election laws do not apply to school elections. (See Findley vs. Sorensen 35 Arizona 265)

The only qualifications of school electors will be found in paragraph 1009, R. C. A. 1928. There is nothing in this paragraph which requires school electors to register.

Yours very truly,

Attorney General
